Sparky and I left the Racetrack Station Friday morning for a somber ride to the 1st Staging Point for this Event. The number of Chapters and SCRC Members Participating was proof of the Love and Respect We all had for Earnie. Earnie was a Special Friend to all of the SCRC in Central Florida! I stopped counting at 70 Bikes, many 2 up. One Hundred Forty Seven Miles were added to the odometer on this cool but sunny day. A thank you goes to the Patriot Guard Riders (PGR) for taking the lead and getting us all to Canaveral National Cemetery safely and for organizing the Memorial Ceremony.

We still laughed, joked and had an all around good time! Sparky took the photos this time! Thanks for leading us Sparky!

**Date: Saturday, May 14, 2022**

We departed this morning with four bikes with five people heading to Mims to pickup additional Riders from other Groups/Clubs. The number of people arriving for this event astounded me! There were to many bikes to count and the procession, once started, stretched for over a mile! The Museum was full to the brim with participants! The lunch provided was more like a snack but good. The ride through the KSC, passing the launch pads, Vehicle Assembly Building and Shuttle landing Strip was incredible! The local Law Enforcement coordination was spot on for a safe and beautiful excursion. We met Members from Chapters 122, 242, 694 and others at this event!

### 2022 BIKETOBERFEST MEET-N-GREET

The **2022 Biktoberfest Meet-N-Greet** was an unquestionable success and held in a new (*to us*) Location! The **Beach Front Grille, Flagler Beach, FL**, across the street from the beach and the Blue Atlantic Ocean! 191 people signed the "Sign In Sheets" and I there were at least 30 more that did not. This was the largest gathering since we began hosting a Meet-N-Greet in 2017! My original Guesstimate to Jaime Owner of the Beach Front Grille was 100 people, Yikes, we more than doubled that number! Thank you, Jaime and your staff, for adapting so quickly to the added number of our hungry Family!

We thank all those for coming out to renew acquaintances with their SCRC Family. Weasel, what can I say, without your tireless effort in spearheading 50/50 ticket sales we would have been lost! We thank Jill, Jeanette, Jeanie, and all those that helped in that effort. The following photos are those that Ed Diloroto, Bob Gucciardo and others from other Chapters took of the day.

#### CHAPTER 702 COMPLETED EVENT:

Ride Like A Pro® Advanced Rider Course

Date: **Sunday, November 13th 2022**

The five of us headed out from the Racetrack Station on this cool November morning up I95 to Jacksonville, we hit a small drizzle en-route (*we were dried in five minutes*). Lo and behold I managed to get us turned around, after a brief unintentional sojourn thru Greater Jacksonville we found our way and surprisingly on time (*definitely not on purpose*)!!!! Ernie and Evelyn manage a great program, each of the participants have taken sharpened rider skills home with them! Three of us opted to have dinner at Corkey Bells, East Palatka on the return home. All in all, it was a great (*but long*) day with our SCRC Family. Joe and Ed negotiated the skills classes with ease, Bravo! When Ernie can send me the photos taken of us on the training course, I will post some of them on Our FB Group Page.
