2023 Daytona Bikeweek Meet-N-Greet

Held at: Highjackers Restaurant, 202 Airport Road, Palm Coast, FL 32164

We thank all those who braved the Bikeweek craziness to join us in meeting new and getting reacquainted with old Friends and our SCRC Family. We welcomed our National Vice President Greg (*Sparky*) Ponton, as well as representatives from Texas, Tenn, and Ga. I apologize for those I may have missed! Next time we will utilize sign in sheets! We had 145 plus bikes parked by 11:30 AM with more coming in every minute. The restaurant was able to rise to the occasion and get to us all! Thank You Highjackers for another successful Family gathering! Thank you to all those helping Bob, Bill, Deborah, Stephani, Flagler Cycle Service and all those without which this would not have been possible!

Stephanie, without your untiring efforts with 50/50 sales we would be lost! We hope you enjoy the Certificate of Appreciation and gift card in Sincere Appreciation of your valued efforts!

Now we will begin preparation for the:

2023 Biketoberfest Meet-N-Greet, Saturday, October 21, 2023.

We were joined by two Members of Space Coast's Chapter 122, Glenn and Harold. We welcomed Felicia and Jack for their first ride with their SCRC Family in a while. Not many photos this ride, my phone memory card went south, possibly from the drenching it got at the Rally!

Three people met at the Racetrack and began an 80 mile round trip ride through rural Florida to **Rodie's' Restaurant**, Palm Coast, Fl, returning before 1:00 PM and the expected rain. Seven Bikes with seven people departed the Racetrack gas station heading out for an early breakfast in an attempt to beat the heat. I believe we did just that! The food was delicious and the company was wonderful. Eddie started out as our Tail Gunner. Steve had an issue with his bike and Eddie stayed with him. A gas cap problem, which they were able to correct, they actually beat the group to the restaurant. In the interim Abbie filled in as our Tail Gunner, good job Young Lady!

Sparky and I swung by on the way home to see how he was doing. Chris will be coming down Sunday about 2:00 PM after spending 45 hours, 30 feet in the air in his effort to help the Kids in Bunnell, Elementary School. Eight young at heart members departed our Racetrack for our stop at the Crescent City Arts and Farmers Market. Big Ed and his better half met us at the market. We had arrived in time to get front row seats for Kai and Raini's performance. We were suitably impressed with the "Gunner Kai Duo" as they called themselves. We hope to be able to see their efforts in future concerts.

We left the market area and headed for the Three Bananas restaurant (*1/4 mile away*) on Crescent Lake, for a delicious lunch and a lot of tomfoolery!!! We enjoyed ourselves! Our ride home included rural farm country and tree covered back-roads. We could not have asked for a better day to ride, not too hot no rain! Thank you Joe for covering our six.

2023 Flagler County Drug Court Foundation - Ride for Recovery

Held at the **2K Ranch**, 6067 Tangerine Ave, Bunnell, FL 32110

As we have done since 2018 the Chapter has participated in this worthwhile effort. We were again asked to come up with and lead a ride again for a second year. We departed the Texas Roadhouse, Palm Coast Pkwy, Palm Coast parking lot with eighteen bikes and four jeep vehicles following the behind group. This was not a Police Escorted event!

We were privileged to lead the group on an 87 mile (2 hour) ride through the beautiful Florida rural countryside. We arrived safely and all together. Flagler County and the 2K Ranch did a great job in smoothing and compacting the short section of Tangerine Ave. to the ranch driveway! It was a slip and slide yesterday!

The 2K Ranch is a beautiful facility!

Sparky did a great job with Cooter in the rear and Roy with his strobes light flashing!

Palm Coast Council Member, Cathy Heighter was on site to present a \$100.00 Check to Mike Feldbauer, Pres. of the Flagler County Drug Court Foundation! I even managed to get a photo of them both! She remained at the event till the end, joining in the festivities.

Roy and Bob tried their hand at the paintball targets'. they did not attempt the axe throwing though!!!! LOL

I even won the 50/50 drawing! My winnings went back to the Foundation!

2023 Okeechobee Meet-N-Greet

Larry and Denis of Chapter 108 did a superb job in putting this Meet-N-Greet together, despite some minor hiccups. Bob and I enjoyed our 195 mile ride to Okeechobee, and quite by chance we met Chapter 739 at the racetrack, corner of 60 and 441. We rode together to the Golden Corral and enjoyed a great lunch. After checking in at the hotel did a short ride to J&S Fishcamp a quaint little bar on the water, decorated in abundance with Halloween decorations. Eric found a TV, wrestled the remote and was able to watch his Gator's Game, based upon the score he should have left the remote alone!!! LOL!

That is when the first hiccup began, The Brahma Bull had no idea (*or so they claimed, then admitted, "oh we forgot"*) that the Meet-N-Greet was to occur at their venue!

Larry and Denis quickly switched it up to the Tiki Bar at Good Spirits Lounge. This proved to be a good choice, the food and service was great and the company amazing.

Bob and I opted on Sunday to ride around Lake Okeechobee, some 125 plus miles, while you could not see the lake itself the route was a fun ride we did find that 720 took us through some sugar cane plantations, on a very narrow road. These roads have little or no shoulder and an 8 to ten foot deep ditch on either side! We put more than 560 very enjoyable miles on the bikes arriving home safely but tired!

1st Annual Holiday Season Family Get-to-Gather

Loc: The Landing Strip Tavern, 202 Airport Rd, Palm Coast, FL 32164

Our 1st Annual Holiday Family Get-To-Gather is now history.

Forty Five of our Chapter 702 Family Members participated in this Get-To-Gather.

The Buffet put out by the Landing Strip Tavern was superb, thank you Cindy (*Gen Mgr.*) for making us welcome and for producing such a delicious and diverse Menu. Mary, our waitress was well up to the task of keeping the liquid refreshments coming and fulfilled. She was amply rewarded for efforts!

We ran off a 50/50 raffle and the 1st prize winner donated his winnings to St. Jude. We now have a grand total of \$541.00 in the pot for St. Jude, hopefully we will be adding to that sum before next years FL State Rally. The Chapter will make a donation to St. Jude at the 2024 Florida State Rally.

We presented Jeanette with a Certificate of Appreciation and a \$25.00 Gift Card. For her tireless effort in taking the lead in organizing and calling/verifying Chapter Membership to verify their participation. Thank you again Young Lady for your help, you are greatly appreciated! We will now be looking ahead to next year, as we are hoping to make this an annual Get-To-Gather!
