Pop Up Ride

Saturday, February 3rd 2024

City Limits Taproom & Grille, 4425 Hwy 17, DeLand, FL 32720

Ten bikes with ten people met at our Racetrac Station and headed out for a 100 mi twisty/turny route to and from the restaurant. We welcome our newest member Rob to the SCRC Family for his first foray with the chapter. Sparky did a fantastic job leading the group. Cooter brought up the rear. While the restaurant was a bit noisy and full (there was a 4K marathon that met after their event) We were served reasonably quickly and efficiently, the food was great and the fellowship fantastic.

202 Airport Rd, Palm Coast, Fl 32164**

The 2024 Bikeweek Meet-N-Greet is now history! We thank The Landing Strip Tavern for permitting us to utilize their venue. everyone was fed in a timely manner and no one was left out, thank you Jamie for coming up with the optional BBQ offering that really reduced the load on the kitchen. We had SCRC representatives from throughout Florida, Tennessee, West Virginia and Ontario Canada. It always amazes me at the fellowship and goodwill shown by our Cruiser Family! Your Officers thank those Chapter 702 members that stepped up to assist in making this a success.

I thank Bob, Eddie, Tim and Dawn for their valued participation in this years rally. Special thanks goes to Jerry for his manning of Stop 4 on the dice run! He showed restraint at the stop as it was a Candy Store, LOL (*Bob on the other hand LOL!*)

Now we prepare for next years Rally. It was decided that the 2025 Rally will be held at the Studio 6, Ocala again and Chapter 366 will be the Hosting Chapter. We will assist Alena in any way we can!

CELEBRATION OF LIFE
for
BILL VIOCK, 2ND OFFICER, CHAPTER 366
Saturday, May 18th 2024

Bob and I rode to the Celebration of life for Bill Viock, 2nd Officer of Chapter 366, Saturday, May 18th 2024.

The SCRC Florida Support that was shown is one of the most inspiring things about this Riding Club, Many chapters but one large SCRC Family! We put 214 miles on our rides and braved some really nasty thunderstorms. I can only surmise that it was Bill's heavenly hand helping to get us home safely!

He was one of the best Tail Gunners I have ever had the privilege to have known! He always asked were he could be of help, He was my help in the Host Hotel Dice Run for many years, I still have his personal Dice and cup! Please take the time to view the attached video, it will give you an insight into the life he lead, his love of his SCRC Family, and of the love his SCRC Family will always have for him! I will miss you my friend!

COMPLETED CHAPTER 702 LONG HAUL CAMPING TRIP

Thursday, June 20th to Tuesday, June 25th 2024

Two Wheels of Suches, 1915 GA-60, Suches, Ga 30572

Four bikes with four brave souls departed our Racetrack station 5:30 AM on Thursday, June 20th 2024 for a 483 plus mile (*10 hours plus not including tops for fuel, food, etc.*) adventure to our camp. The weather was perfect and became cooler the further north we traveled. We arrived at the camp approximately 6:00 PM safe and sound.

Our itinerary was modified as we saw fit and was as follows:

Day 1 - 6/20 - ride to camp

Day 2 - Visit Wheels Tru Time Motorcycle Museum, Maggie Valley NC.

Day 3 - Ride to Helen Ga.

Day 4 - Ride to Brasstown Bald (*GA highest point*)

Day 5 - Ride to Deals Gap, NC. Ride the Tail of the Dragon (*US129*) and the Cherochala Sky-way (*three state ride GA, NC, Tenn*)

Day 6 - Return to Palm Coast

GA60 is the only road to or from the camp and is a beautiful twisty narrow mountain road, It rivals the Tail of the Dragon in its sharp curves and climbs up the mountain northerly from Dahlenega, GA! GA60 is just as much fun north of the camp all the way to Morgantown, GA.

50 yards north of the camp intersecting GA60 is the beginning of one of the most challenging rides I have had the pleasure of riding, GA180 (*The Wolf*) Wolf Pen Gap Road. This road rivals (*it might be better*) than the Dragon), the turns and switchbacks are not for the faint of heart!

This camp is not a fancy resort, but serves perfectly as a base camp for mountain motorcycle riding (*Sport bike riders and off road riders often stay here for the hundreds of off road trails in the area*)!

We all thoroughly enjoyed our stay in this beautiful part of the Smokies! The riding here is superb!

Eddie you did a superb job in navigating the area and we all returned home safe and sound (*we even missed most of the rain*)!

Dest was: The Spot Cafe, 4508 US-1, St. Augustine, FL 32095

Nineteen bikes with twenty people joined together at our racetrack today for a 114 mile round trip ride through rural Florida. We made a short (*very short the gnats were terrible*) pit stop for a group photo with the St. Johns River in the background. The food was delicious but the restaurant was very busy and service was understandably slow. The waitress did what they could to speed things up. POP UP RIDE

Saturday, July 20th 2024

Dest. Was: Idle Awhile Resort, 120 Georgetown Landing Rd, Georgetown, FL 32139

Seven rides with eight people departed our meet up point heading out on a 112 mile round trip foray through rural Florida.

The restaurant has been beautifully renovated and was a pleasant surprise. This facility could easily handle large groups!

Our server was quick and friendly and our brunch was delivered hot and delicious. The views out the windows were of the beautiful St. Johns River. We watched the fish jumping while we enjoyed our meal. Cooter lead the way and Charles brought up the rear, we arrived home safely and before the worst heat of the day!

Dest. Was: Peach Valley Cafe, Suite 1,

185 W Granada Blvd, Ormond Beach, FL 32176

Thirteen bikes with seventeen people headed out on a sunny hot morning for a short ride to the restaurant. Once at the restaurant we were made aware that there would be a considerable wait to get in!

We came up with a local alternative:

Sunrise Diner,

The restaurant served us quickly and we thoroughly enjoyed the time spent with our SCRC Family. Sparky lead us and Cooter brought up the rear!

Thirteen Bikes with fifteen people left our Racetrac meet up point this clear warm morning.

Andy lead us through a twisty rural route to and from the restaurant putting another 123 miles on the odometer!

We had two minor oppsey's on the route an soon got turned back around, LOL!

We got spritzed on on the way home, a good relief from the heat, it cooled us off a bit!

The restaurant has had major renovation recently their service and food has greatly improved. Our food was served, hot and delicious and the fellowship with our SCRC Family was, as it is always, fun and animated.

Good job Andy for leading, Cooter brought up the rear.

It was great to see Steve and Abbie come out and ride!
