Popup Ride

Date: Saturday, January 11th 2025

Destination: Angela's Diner, 190 S Atlantic Ave, Ormond Beach, FL 32176

Four bikes depart our usual meet up point on this brisk Florida morning. The restaurant was a pleasant surprise. The food was good and hot the service fast. This was a shorter ride than we would normally undertake, due to the cool air and possibility of a shower. We split at the restaurant for the trip home, two heading home and Cooter and Jerry heading to the Daytona Flea Market. I needed a repair on my vest! Lo and behold who should we meet but the Great Mikey (*Chapter 131*) and his better half!

We enjoyed this cool but short ride today, all arrived home safely!

MEMORIAL RIDE FOR STEVE KATZ

10 people headed out on a 145 mile round trip ride to some of Steve's favorite spots. The weather was mostly cloudy with the potential of rain. By the 4th/5th stops the clouds broke and the sun came out, maybe Steve had something to do with this. Turned out to be a nice day.

Lunch at 3 Bananas was very good and the company was great!

The stop at Surfin Scoops was very tasty and Josh the owner setup motorcycle parking just for SCRC.

Abby had a private moment on the beach where Steve's ashes were released into the ocean.

Abby was very appreciative that her SCRC family could be there and take part in this and take Steve on his last ride!

Cooter lead us in a zigzag route thru farm country under a canopy of trees for most of the route. We arrived at the restaurant and enjoyed a filling tasty lunch (we missed breakfast by a few minutes). Cooter chose a circuitous route thru Welaka and Georgetown bringing us back onto Hwy 17 in Crescent City and heading home. Another 115 miles put on the odometer with everyone arriving home before 2:00 PM and safely! Thanks Jerry for covering our six and retrieving the parts that fell off!!! LOL!

Popup Ride

Date: Saturday, September 6th 2025

Destination: The Bears Den, Eustis, FL

Six Bikes with eight people met at our Racetrac station. Today's weather forecast had us dry one minute and very very wet the next! What the heh, seven people opted to chance the rain. The Road Captain decided to alter the destination due to the fact that the forecast did not look promising to the south and west along our planned route to the Bears Den in Eustis! The RC with the concurrence of those remaining members chose to try for The Idle Awhile Resort (Porky's) in Georgetown. The trip there was beautiful, under clear skies. Unfortunately when we got to our destination we were informed that the restaurant was closed until Monday due to some undisclosed maintenance issues! I surmise that is why when I called the day before there was no answer. As of now we were kinda not doing very well, but still the weather was clear and reasonably cool! Our next choice was Shrimps R Us, in Welaka. When we got there (at 10:10 AM) we would have to wait for them to open at 11:00 AM. We chose instead to go to Corky Bells, East Palatka. Two members opted to go to the 207 Diner instead! Five remaining members finally had some success!!!! As usual Corky Bells was a good choice. Now the fun part! No rain for this entire adventure, right. On the way home (*we opted to run 17 to 100 E to Bunnell*) the sky opened up as we exited the Corky Bells parking lot and did not stop until we were on SR100 in San Mateo heading East! Yeah us! LOL it goes with life! We were dry by the time we got home, only in Florida! One thing is certain this was one interesting day!!!! I would still not exchange it as we were with our SCRC Family! All got home safely.

Multi chapter Meetup

Date: Saturday, September 20th 2025

Destination: Baci Pizzeria, 830 N. Dixie Hwy, New Smyrna Beach 32168

What a turn out today, to Baci Pizzeria in New Smyrna. It started out as a simple email to Dan Dow asking if 739 and 702 could get together. It turned into a 50 plus member ride with multiple chapters meeting up: 739, 242, 122, 694, 545. Dan lead the group safely to the restaurant (using his version of a GPS a Graphic Papers Scribbled). The food was exceptional and the service was fast, but definitely the brotherhood and sisterhood of SCRC outshines it all! We will see you on the next one, RIDE ON!

Destination: Norma D's, Hastings FL

Nine people met at our Racetrac Station this beautiful, clear morning for a 109 mile round trip scenic ride. Our posted destination was to have been Colee's, Palatka, FL. After a few phone calls we determined they (Colee's) no longer had breakfast after 10:00 AM. Our Road Captain after a brief discussion and the consensus that most of us preferred breakfast, modified the destination to Norma D's in Hastings. Norma D's has breakfast all day on Saturdays! Jerry did a great job leading us with Charles covering the middle of the pack (almost LOL) and Cooter picking up the parts that fall off.
